

N-TECH

Side Mounted Pump for above ground storage tanks.

- Easy to service and durable.
- Adaptable to Jamesway, A. O. Smith, Older Models and Brands.
- Double Volute design enhances even load pressure and maximum volume for extra agitators or load pipes.

Base Pump Unit Includes:

Impeller, housing, shaft, seal and bearing assembly, PTO guard, 12" stainless steel water-tight valve with 12" flange and manual screw type handle. Side pumps available in painted mild steel, galvanized mild steel, and stainless steel.

NTH, INC.

Base Unit	Description
